Description

Polycraft 300 Tuffy.

The 300 Tuffy's incredible stability and shallow draft makes it popular with fishermen who want a small go anywhere boat to reach those hard to access areas.

New and improved features:

- Front cast deck, rear seats have sealed integrated storage and an integrated Polyethylene hinged lid with diamond pattern, non-skid surface.
- Floor and gunwales have sandblasted non-skid surfaces.
- Larger steps on rear for easy entry into boat.
- Anchor well is larger and has integrated through hull drain hole.
- Refined hull design for better on water performance whilst still retaining the legendary stability at rest of the original Tuff Tender.
- Recessed Tow eye to protect against damaging gel coated or painted surfaces (if used as a Tender for a larger vessel).

An extensive range of factory and dealer-installed options and upgrades are available to personalise your new Revival.

Our Sales and Fitout team of avid boaties and fishos are experts at customising packages to suit every boating lifestyle.
