Description

The Polycraft 300 Tuff with its incredible stability and shallow draft makes it popular with fishermen who want a small go-anywhere boat to reach those hard to access areas.

NEW AND IMPROVED FEATURES

-

The front cast deck and rear seats have sealed integrated storage and an integrated Polyethylene hinged lid with a diamond pattern non-skid surface.

-

Floor and gunwales have sandblasted non-skid surfaces.

-

Larger steps at rear for easy entry into boat.

-

The anchor well is larger and has an integrated through-hull drain hole.

-

Refined hull design for better on water performance whilst still retaining the legendary stability at rest of the original Tuff Tender.

-

Recessed tow eye to protect against damaging gel coated or painted surfaces (if used as a tender for a larger vessel).
