Description

REVIVAL R580 OffShore Edition

Revival OffShore Editions spice up the SportZ's already impressive inventory with fishing-focussed inclusions to help you snare to snare the catch of the day: upgraded flip-bolster seats, tackle storage, bimini and clears, alloy or stainless rocket launchers, recessed rod storage, and more. Fish don't tell time or care about the weather, so shouldn't your new boat be just as mission-ready? COLOUR and TRIM*

All Revival hulls are available in the standard Arctic White gelcoat or splash out with one of eight (8) full or two-tone gelcoat options. SportZ and OffShore editions feature two-tone grey vinyl interiors while WeekEnders are treated to cloth detailing in the cabins.

TECH SPEC and FEATURES

EXTERIOR

Despite its easy-to-tow proportions, the R580 boasts a large rear cockpit and generous open plan cabin. A wave-slicing 21deg deadrise ensures a soft, dry ride while the signature broad stance creates a stable and confident platform at rest and underway.
